

GESHIRE CAT TRAIL

The cheeky Geshire Cat has a habit of appearing and disappearing, in fact sometimes only his eyes will appear, or his nose!

Parts of him have recently been seen popping up around Guildford in shops, café's and other places. If you can follow the clues he has left and identify where he has been you could win some fabulous Alice in Wonderland prizes!

TO ENTER: simply follow the clues on each poster to find the next part of the Geshire Cat. Record where the body part was found and what it was. At the final place, you'll be given instructions as to where to submit your entry form. **GOOD LUCK!**
