

WHAT DOES 'PER DEVICE' MEAN?

You will watch this show on an electronic device - a phone, tablet, laptop or computer. Your booking is for that one device. We say that up to four people may watch the show on one device because if you live with others we want you to share the experience of the show together (rather than being in separate rooms on different devices!).

However, in order to ensure that GSC generates enough revenue to pay the wages of the artists involved and to keep making great theatre in the future, we request that if there are more than four of you in the same household watching, you either buy a second device or make a donation.

HOW DO I WATCH THIS?

This recording of *As You Like It* will be streamed using [Vimeo](#). You can watch on your phone or tablet, though we recommend using a laptop or PC/Mac for better quality.

CAN I WATCH VIMEO ON MY TV*

You may be able to watch this recording on your TV if you can connect your device to it.

For laptops, if your TV has a HDMI port, you can connect your laptop to your TV using one of these.

Simply identify the HDMI ports on your TV and laptop, then connect the two devices together using a HDMI cable (you can purchase these from most electrical stores and larger supermarkets). On your TV select either HDMI 1 or HDMI 2 as the source, depending on whether you have anything else plugged in.

Then turn on your laptop and your desktop screen should now be on your TV screen. You can use your laptop to click on the link we have sent and watch the show on your big screen.

*We cannot guarantee that you'll be able to connect your device to your TV, and GSC take no responsibility if you cannot do so. The surest and easiest way to watch our show is on a laptop or PC. We strongly advise you to test your devices BEFORE the show begins to ensure everything is working properly.

CAN I SHARE MY LINK WITH OTHER PEOPLE?

NO. The link and is just for you. We kindly request that to uphold the integrity of the production and support the ongoing work of GSC and the artists, **DO NOT** share this link or password with anyone else.

WHY IS CAPACITY LIMITED?

We're committed to bringing you the very best theatre experience we can, but with limited staff numbers we have to restrict the number of devices at each performance to ensure we can both manage the show and any technical difficulties that may arise.

WILL THERE BE ASSISTED PERFORMANCES?

We regret we cannot offer assisted performances for this recording.

In the meantime, if you would like to let us know that you are interested in Assisted Performances and what your needs are we would love to hear from you. Email us at info@guildford-shakespeare-company.co.uk
